Andy Gilligan, CNA II
Doak Walker Care Center
Certified Nurse Aide

Faces light up when Andy Gilligan walks into the Doak Walker Care Center. The residents have good reason to love him. That's because Andy doesn't feel it's enough to provide the elders with care, he believes he needs to genuinely care about them as people.

"Imagine waking up one day and not being able to do everything for yourself that you could do the day before. It's my job to not only help you perform these tasks, but to keep you in high spirits at the same time.

"Here in the valley, a lot of people like to say they are living the dream. It's the elders who built that dream in which we live. It gives me great pride to work with them and know that we're helping them celebrate their lives."
