**Ann Kirton**

Access Representative

**Mary Jones**

Office Manager

*The "SportsMed Spirit" begins when you walk in the door and receive a cheery greeting from Ann and Mary. Their upbeat, professional approach extends to scheduling and registering patients as well as obtaining and explaining insurance benefit information.*

*Ann says, "My interaction with patients and co-workers is so rewarding. We see people from all walks of life, different countries and cultures, and I learn something new every day. I enjoy watching people progress in rehab and get back to what they love to do."*

*Mary says, "We're blessed to work as a team in a department full of 'family.' We get to know our patients and love being able to encourage and congratulate them. Taking care of our patients and co-workers is truly a labor of love!"*
