*Sisters Carolyn and Debbie weren't even born yet when their family connection to our hospital began. Back in 1946 their father, rancher Bill Appel, helped select the site for the new Routt County Memorial Hospital as a member of the original Board of Trustees.*

*They describe their father as "always involved in and dedicated to community causes and organizations." In their combined 44 years of employment at our non-profit hospital they have carried on his legacy and vision as YVMC has grown from a small rural hospital to a regional medical center.*

*Carolyn and Debbie say, "The expansion of services has been amazing. YVMC is an excellent employer and we very much enjoy working here. It means a lot to us to see the hospital continue to grow and serve this community."*
