

# Extraordinary People

... personalized care

**Diagnostic  
Medical  
Sonographers**

**Harold Burkhalter,  
RDMS, RVT, RDCS**

**Melinda Graham,  
RDMS, RVT, RDCS**

*Adult and pediatric patients who need an ultrasound exam are in good hands with Harold and Melinda. They've got you covered 24/7, 365 days a year, offering boards-certified imaging in echocardiography, vascular and all diagnostic ultrasound imaging.*

*Melinda and Harold say, "We work closely with YVMC's radiologists and cardiologists to achieve positive outcomes and quality ultrasound services.*

*"The scope of services we offer allows the people of northwest Colorado to complete their care close to home, saving them from having to travel to larger and unfamiliar surroundings. We care very deeply for our patients and provide as many ultrasound services as possible in a friendly, kind, caring and convenient setting."*
