

# Extraordinary People

... personalized care

*A trip to the emergency department may be cause for some stress, but YVMC's team of outstanding nurses will do everything they can to make you start to feel better right away.*

*Meet our three certified emergency registered nurses. Jeannie, Annabelle and Ken have all passed the Board of Certification for Emergency Nursing. This voluntary national credentialing process recognizes nursing professionals who demonstrate the knowledge essential to this specialty.*

*Our trio says, "We love the diversity of emergency nursing at YVMC, where every hour of every day is different. We all work hard to get our patients seen and treated quickly through efficient teamwork."*
